Report of Principal and School

Guided by our mission to improve the quality of life for children with multiple disabilities by providing a comprehensive educational program that integrates educational curricula with functional rehabilitation instruction to maximize the potential and well-being of each child, and to ensure family inclusion, PACE has completed its fourth year. PACE employs five highly qualified special education teachers, eight teaching assistants and a school nurse who are dedicated to our students. Every student at PACE receives an IEP driven education. Each child receives PT, OT, and Speech on a weekly basis. The students participate in weekly art and music programs provided by a grant. The children also participate in community-based instruction that includes swimming and therapeutic horseback riding.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	55.0
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Pattison's Academy for Comprehensive Education has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
